Excision & destruction of diseased tissue of the eyelids
Operation on the canthus & epicanthus's
Corrective surgery for entropies & ectropion
Corrective surgery for blepharoptosis
Removal of a foreign body from the cornea
Incision of the cornea
Operation for pterygium

Other operations on the cornea
Removal of a foreign body from the lens of the eye
Removal of a foreign body from the posterior chamber of the eye
Operation for Glaucoma
Operation of cataract with IOL
TRAUMATOLOGICAL SURGERY AND ORTHOPAEDICS
Incision on bone, septic & aseptic
Closed reduction and internal fixation on fracture
Suture and other operations on tendons and sheath
Reduction of dislocation under GA
Arthroscopic knee aspiration
OPERATION ON THE BREAST
Incision of the breast abscess
Operation on the nipple
OPERATION ON THE DIGESTIVE TRACT
Incision & excision of tissue in the perianal region
Surgical treatment of hemorrhoids
Dilation of the anal sphincter (spinterectomy)
Other operations on the anus
Ultrasound guided aspirations
Sclerotherapy etc
OPERATIONS ON THE FEMALE SEXUAL ORGANS
Incision of the ovary
Intubation of the Fallopian tubes
Other operations on the Fallopian tube
Dilation of the cervical canal
Contraction of the uterine cervix
Other operations on the uterine cervix
Incision of the uterus (hysterectomy)
Therapeutic curettage
culdotomy
Incision of the vagina
Local excision and destruction of diseased tissue of the vagina
Douglas
Incision of the vulva
Operations on the Bartholin glands (cyst)
OPERATIONS ON THE MALE SEXUAL ORGANS
OPERATIONS ON THE PROSTATE AND SEMINAL VESICLES
Incision of the prostate
Transurethral excision and destruction of prostate tissue
Transurethral and percutaneous destruction of prostate tissue
Open surgical excision and destruction of prostate tissue
Radical prostate vasiculectomy
Other excision and destruction of prostate tissue
Operations on the seminal vesicles
Incision and excision of peri prostate tissue
Other operations on the prostate
OPERATIONS ON THE SCROTUM AND TUNICA VAGINALIS TESTIS

Incision of the scrotum and tunica
Operation on a testicular hydrocele
Excision and destruction of diseased scrotal tissue
Plastic reconstruction of the scrotum and tunica
Other operations on the scrotum and tunics
OPERATIONS ON THE TESTES
Incision of the testis
Excision and destruction of diseased tissue of the testis
Unilateral orchidectomy
Bilateral orchidectomy
Orchidopexy
Abdominal exploration in crypto orchidism
Surgical repositioning of an abdominal testis
Reconstruction of the testis
Implantation, exchange and removal of a testicular prosthesis
Other operations on the testis
OPERATIONS ON THE SPERMATIC CORD, EPIDIDYMIS AND DUCTUS DEFERENS
Superficial treatment of a varicocele and a hydrocele of the Spermatic cord
Excision in the area of the epididymis
Epididymectomy
Reconstruction of the spermatic cord
Reconstruction of the ductus deferens and epididymis
Other operations on the spermatic cord, epididymis and ductus Deference
OPERATIONS ON THE PENIS
Operations on the foreskin
Local excision and destruction of diseased tissue of the penis
Amputation of the penis
Plastic reconstruction of the penis
Other operations on the penis
OPERATIONS ON THE URINARY SYSTEM
Cystoscopical removal of stones
OTHER OPERATIONS & PROCEDURES
Lithotripsy, Dialysis, Radiotherapy, Chemotherapy
Coronary angiography
OPERATIONS ON THE SKIN & SUBCUTANEOUS TISSUES
Incision of a pilonidal sinus
incisions of the skin & subcutaneous tissues
wound debridement & removal of diseased tissue of the skin & subcutaneous tissues
local excision of diseased tissue of the skin & subcutaneous tissue
Simple restoration of surface continuity of the skin & subcutaneous tissues
Free skin transplantation, donor site
Free skin transplantation, recipient site revision of skin plasty
Other restoration & reconstruction of the skin & subcutaneous tissues
Chemosurgery to the skin
Destruction of diseased tissue in the skin & subcutaneous tissues
OPERATIONS TO THE TONGUE
Incision, excision & destruction of diseased tissue of the tongue

Reconstruction of the tongue
Other operations on the tongue
Partial glossectomy
OPERATIONS ON THE SALIVARY GLANDS & SALIVARY DUCTS
Incision & lancing of a salivary gland & a salivary duct
Excision of diseased tissue of a salivary gland & a salivary duct
Resection of a salivary gland
Reconstruction of a salivary gland & a salivary duct
Other operations on the salivary gland & a salivary duct
OTHER OPERATION ON THE MOUTH & FACE
External incision & drainage in the region of the mouth ,jaw & face
Incision of the hard & soft palate
Excision & destruction of diseased hard & soft palate
Incision , Excision & destruction in the mouth
Plastic surgery to the floor of the mouth
Palatoplasty
OPERATIONS ON THE TONSILS & ADENOIDS
Trans oral incision & drainage of a pharyngeal abcess
Tonsillectomy without adenoidectomy
Tonsillectomy with adenoidectomy
Excision & destruction of the lingual tonsils
